KINDNESS DAY - NOVEMBER 13

"If there is any kindness I can show,
or any good thing I can do to any fellow being,
let me do it now, and not deter or neglect it,
as I shall not pass this way again."
-- William Penn

*"Kind words can be short and easy to speak
but their echoes are truly endless."*

-- Mother Teresa

The best-selling book, *Random Acts of Kindness*, helped to start a movement that has spread around the world. The book, and the many books on kindness that followed, helped to highlight the transformative power that each of us has to change the world with kindness, one person at a time.

The Random Acts of Kindness Foundation helps to promote "kindness" by providing inspiration, information, and resources to celebrate kindness throughout the year as well as a special World Kindness Day on November 13, World Kindness Week in November, and a Random Acts of Kindness Week in February.

Others celebrate the first of *every* month as Kindness Day. In this way we begin each month by rededicating ourselves to change the world, one act of kindness at a time. Together we are creating a more peaceful, just and sustainable world through kindness.

The Kind Acts Foundation's website offers educators and parents a free and easy way to create a certificate to reward a child for an act of kindness. (www.kindacts.org)

*"When you are kind to someone in trouble,
you hope they'll remember and be kind to someone else. And it'll become like a wildfire."
-- Whoopi Goldberg*

Be A Hero For A Better World!

1. Find out more about the power of kindness
2. Use kind words
3. Try to perform an act of kindness each day

"There is perhaps no surer road to peace than the one that starts from little islands and oases of genuine kindness, islands and oases constantly growing in number and being continually joined together until eventually they ring the world."

-- Father Dominique Pire

"The quest for a war-free world has a basic purpose: survival. But if in the process we learn how to achieve it by love rather than by fear, by kindness rather than by compulsion; if in the process we learn to combine the essential with the enjoyable, the expedient with the benevolent, the practical with the beautiful, this will be an extra incentive to embark on this great task."

-- Joseph Rotblat
